MANAGEMENT

Overall

★★★★★

INVESTMENT POLICY

The fund's target is to reach, over a recommended investment 5-year period, a greater return net of fees than the Thomson Reuters Global Focus Hedged (EUR) Convertible Bond Index in euros, hedged against a foreign exchange risk, the euro being the reference currency with reinvested net coupons. The stock returns may be adjusted by possible foreign exchange hedging costs.

FUND MANAGERS' COMMENT - Arnaud BRILLOIS

During the month of September 2017, Lazard Convertible Global AC Hedged - EUR Fund returned 1.70% versus 0.73% for its benchmark (Thomas Reuters Convertible Global Focus Euro Hedged). The fund's equity sensitivity is lower while the benchmark's is higher on the month, currently standing at 55.1% and 48.6%. Modified duration is unchanged on the month and is still lower than the benchmark's, standing at 0.77 versus 1.93. Overall, our equity overweight has a positive impact on relative performance, S&P500 in dollar rose by 2.02% and Stoxx600 in euro gained 3.90%. Our shorter duration compared to the benchmark has been a positive contributor. In September, industrials and technology sectors have outperformed. We sold Meritor 2026 and Air France 2023. We initiated a position on Meritor 2037 and on Artemis/Kering, and reinvested fund's inflows on existing holdings.
