MANAGEMENT

Overall ★★★★★

INVESTMENT POLICY

The objective of the fund is to outperform, net of fees and over the minimum recommended investment period of five years, the Eurozone small and mid cap universe as represented by the Euromoney Smaller Euro index calculated on a total return basis.

FUND MANAGERS' COMMENT - Annabelle VINATIER, Jean-François CARDINET, James OGILVY

The Euro Stoxx gained 1,2% in October, however, this performance was not matched by all equity indices with the Stoxx 600 falling 1,0% and the Euromoney Smaller Euro index down by 0,3%. The SICAV retreated 0,3% in October but is nevertheless up 3,6% year to date, which compares to declines of 2,4% and 2,6% for the Euro Stoxx and the Euromoney indices. Bénéteau (+16%), Amadeus Fire (+15%), Manutan (+10%) and Washtec (+10%) performed well on the back of strong publications. Ordina (+21%) also contributed to performance following the appointment of a new CEO. LPKF (-31%) gave back its recent gains after announcing that volumes in the LDS business have not recovered as hoped. Beter Bed (-17%) published mixed Q3 results while Sopra Steria (-11%) and Cargotec (-9%) also weighed on performance. Over the month we added to our holdings in Havas, Atramedia, KSB, Axway and Sopra Steria and reduced the positions in Washtec, Cargotec and Van de Velde.

PERFORMANCE - A units

HISTORICAL PERFORMANCE

Past performance is not a guarantee of current or future performance
